

School Safety Subcommittee

Mission: Improve the safety and security of APS students, faculty, & staff.

The Subcommittee will work with APS Administrators and school PTAs to:

1

Identify consistent safety standards to be implemented and enforced across APS.

2

Assess schools' adherence to consistent standards.

3

Coordinate efforts to close adherence gaps and implement safety enhancements as needed.

We will advocate for and support enhancements to:

- Physical infrastructure
- Personnel Security
- Crisis Communication
- Whole Child Emotional Health
- Community Support & Resources
