

Does a school recycling bin like this frustrate you?

Are you motivated to improve waste reduction in your school?

Are you interested in being a part of the **solution** to help reduce waste in schools?

Then come join us at

The Four Rs with the ABCs: A Forum

How-to's on incorporating simple waste management practices at your school

**November 13th, 2019 at 7-8:30pm at Central Library, Bluemont Meeting Room
(1015 N. Quincy St., Arlington)**

RSVP at the [Forum](#)

Are you frustrated by the waste in your school?

Then come join us at [the Four Rs with the ABC's: A Forum!](#)

When: Wednesday, November 13th

Time: 7pm-8:30pm

Where: Central Library, Bluemont Meeting Room (1015 N. Quincy Street, Arlington)

Who: APS sustainability liaisons, parents, students, teachers, administrators, PTA members, and environmentalists

In this action-based meeting we will:

- **SHARE** effective best practices based on experiences within APS schools
- **LEARN** about resources and materials available to help a school get started on waste reduction strategies
- **CONNECT** with others who are motivated to create change

RSVP today at [the Forum](#)

Brought to you by: The R4 Action Group of EcoAction Arlington
