

Your Voice Matters!

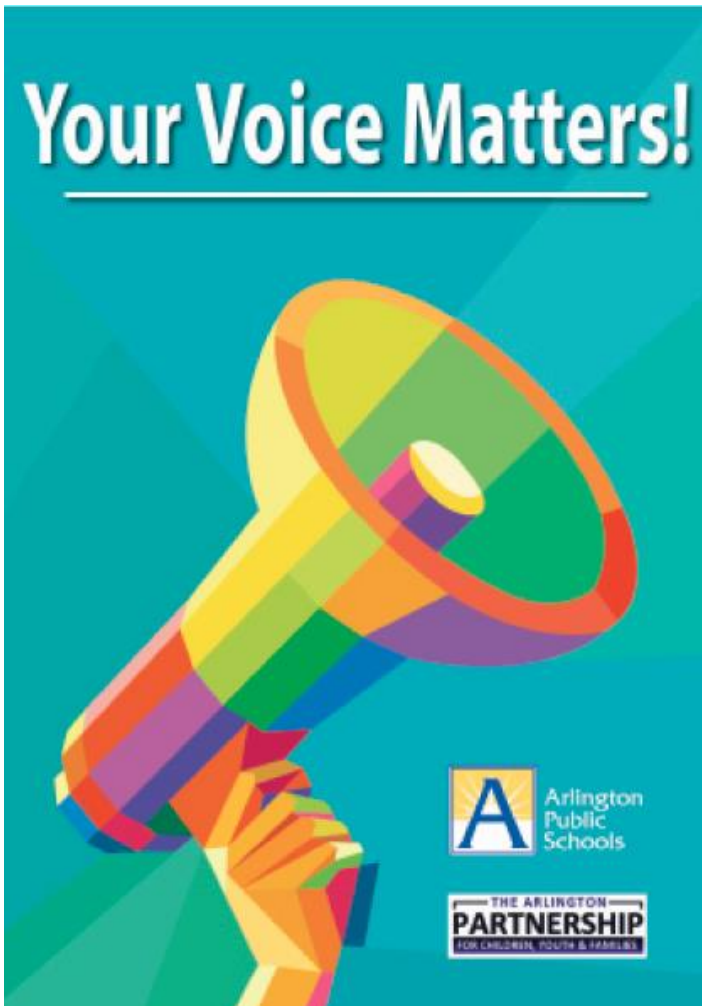

The 2020 Your Voice Matters Survey

January 13 - February 28, 2020:
Student, Staff, and Family Surveys

The *Your Voice Matters* survey provides insight from Arlington Public Schools (APS) families, students in grades 4-12, staff and teachers. APS and the Arlington Partnership for Children, Youth, and Families (APCYF) partner on the survey to **compile a snapshot of our students, school climate and engagement, and deepen our understanding of children, youth and family well-being in Arlington**. The results are used to inform work across both the school division and the County. The data also provides APS with a way to measure progress on the 2018-24 Strategic Plan.

Results available in Spring 2020.
